

Kansas City, Missouri Parks Managed Archery Deer Hunts

For the purpose of managing urban deer populations on park property, Missouri Department of Conservation in partnership with Kansas City, Missouri Parks and Recreation, will be offering a managed archery deer hunt at the following locations:

- **Tiffany Springs Park:** November 4, 2013 – January 15, 2014 (787 acre park located in Platte County NW Kansas City at NW 88th Street and North Hampton Road just north of 152 HWY).
- **River Front Park:** November 4, 2013 – January 15, 2014 (500 acre park located along the Missouri River in central Kansas City located at River Front Road and N. Monroe Ave running east toward I-435).
- **Hodge Park:** November 4 – November 30, 2013 (200 acres located at the corner of I-435 & 152 HWY).
- **Swope Park:** November 4, 2013 – January 15, 2014 (758 acres located at Oakwood Rd from Oldham Rd, South of E. Gregory Blvd).
- **Hidden Valley Park:** November 4 – November 30, 2013 (142 acres located at NE Russell Rd & N Bennington.
- **Little Blue Valley Park:** November 4, 2013 – January 15, 2014 (95 acres located at Noland Rd & 75th Street.

Hunter Criteria:

- ▶ Hunters must be Missouri residents.
- ▶ Hunters must be 16 years of age or older.
- ▶ Preference will be given to hunters who are Kansas City, Missouri residents.
- ▶ **BOW HUNTER EDUCATION - CERTIFICATION IS REQUIRED** (Not regular Hunter Ed.)
For current class schedule or to register: (816) 622-0900

Hunters are encouraged to harvest mature antlerless deer.

Please Note: Deer taken during this hunt will count toward regular season bag limit.

Application Period/Deadline: August 13 - September 13, 2013

Hunter Notification: October 1- 10, 2013 - only successfully drawn hunters will be notified.

To Apply: Each hunter **may apply for only one of the four park hunts**. You may still apply for a statewide managed hunt found in the Fall Deer and Turkey Guide.

Applications will be posted at this same website location from August 13, 2013 thru September 13, 2013
